

Bio Imaging Utrecht

Fall Meeting

Thursday 9 November 2023

15:00 – 17:00 (drinks afterwards)

Vondelzaal, Rm 3.108.

Stratum Building, UMC Utrecht

Topic : Light Sheet Microscopy

Seminar

Bruker - Invi-SPIM Lattice Pro

“ Temporal variability and cell mechanics’ control robustness in mammalian embryogenesis “

Dimitri Fabrèges , Sr. postdoc

Hiiragi group, Hubrecht Institute, Utrecht

Seminar

Viventis - Light Sheet (LS1-Live)

“ Single cell tracking in mouse embryonic explant reveals coupling between signaling dynamics and the cell cycle ”

Marek van Oostrom , PhD Student.

Sonnen group, Hubrecht Institute, Utrecht

Award Ceremony

And ... the prize-winning award ceremony of the

2023 - BIU – Image Competition

You can still vote :
Voting deadline 3 November 4pm
